PACER Case Locator

The PACER Case Locator (PCL) is a national index for district, bankruptcy, and appellate courts. The PCL serves as a search tool for PACER, and you can use it to determine whether or not a party is involved in federal cases collected from the courts and transferred to the PCL.

PACER Case Locator Features

- Use as a one-stop location to search all cases.
- Save links to your preferred cases using the "Save" button.
- Save your frequent searches using the "Save" button.
- Customize a simple search to include new range.
- Set your preferred landing page to custom.

PACER Fees and Case Currency

Access to case information costs \$0.10 per page. If you have a PACER account, you can pay for case information in advance of 30 days. The cap does not apply to specific or transcripts of federal court proceedings. By judicial conference policy, fees are waived when usage is \$30 or less for the quarter. Newly filed cases will typically appear on this system within 24 hours. Check the Court Information page for data that is currently available on the PCL. The most recent data is available directly from the court.
